Tri-Shield Chew, kink,  
knot resistant cord

TRI-SHIELD, 3 layered protection cord with PVC-jacketed, braided nylon layers that make it resistant to chewing, kinking, and knotting. This cord is designed to be exceptionally durable and dependable to withstand rigorous use.

Units come in a sturdy, writable, moisture-resistant resealable bag. When sealed inside the bag, lice are eliminated within 24 to 48 hours without the need for chemical treatments.
